

CONGREGATIONAL ASSETS INVENTORY: EQUIPMENT

The Congregational Assets Inventory is broken in to five parts:

- Facility
- Human Care and Outreach
- Worship, Christian Education, and Small Groups
- Stewardship, Fellowship, and Recreation
- Equipment

Take all or a few of the inventories. The information can be used to help identify the many blessings God has already provided your congregation as you move to create new or expand/strengthen existing social service outreach ministries.

This list is not all-inclusive. The idea is to include items that may be used to further your ministry and enhance partnerships. If you have equipment that you believe needs to be included, please record it in the boxes marked "other". Please do not include anything that is not in working order or is outdated or school equipment on this survey.
